

**Release of Student Information to Recruiters  
(Military and Institutions of Higher Education)**

Federal law 107-110 (No Child Left Behind Act of 2001, Section 9528) requires schools to provide recruiters from the military and institutions of higher education, upon request, with the name, address, and telephone number of enrolled students. It is the policy of South Garner High School to release this requested information ONLY regarding Juniors and Seniors.

Any parent, guardian, or eligible student (18 years of age) who does not wish to have this directory information released MUST NOTIFY THE SCHOOL IN WRITING WITHIN THE FIRST TWENTY (20) DAYS OF THE SCHOOL YEAR.

To remove a student's name from the distribution list, complete the "Opt Out" information requested in the box below, sign where appropriate, **and return it to Mr. Walker, South Garner High School's Career Development Coordinator**. This information may be mailed, faxed (919-589-6322), or personally delivered to Student Services or Mr. Walker in Room 1354A within the first twenty days of the school year. "Opt Out" information that is received after the first twenty days will be filed and those names will be deleted from the distribution list at the beginning of the next school year.

\_\_\_\_\_ As a parent/guardian, I am exercising the right to "Opt Out" and request that you do not release the name, address and telephone number of the following student to recruiters from the military or institution of higher education.
